Vice Chancellor
Kurukshetra University, Kurukshetra

It gives me immense pleasure to write a message for large number of students who decide to join Directorate of Distance Education (DDE) for their education and learning. DDE is completing its 40th year in 2017 and approximately more than 7.50 Lac students have completed their education through Distance Mode. DDE plans to continue its endeavour to spread education far and wide through its traditional and professional courses. It is offering 34 courses in the academic year 2017-18 for Indian as well as foreign students. It plans to start a few professional courses soon in the areas of business analytics, special education and others to meet the requirements of students and market.

Distance learning has its own share of challenges where self study plays a central role. DDE assists its students through study material, annual personal contact and round the year personal counselling programmes. It makes every possible effort to facilitate student learning and continuously updates its curricula in tune with its regular courses.

I welcome prospective students to join the courses of DDE and pursue their dreams.

Message

Prof. Manjula Chaudhary

The year 2017 marks 40th year of DDE journey that began in 1977. Its vision of providing affordable and accessible education to those who wished to pursue education part time or could not be part of regular courses for any reason has led to a nurturing of a large number of learners. Beginning with a few courses today it offers a mix 34 traditional and professional courses with a student strength of 22000. It has evolved with time and has modernized its operations for effective student interface through online forms, online fee gateway, Mobile App, SMS and E-mail services.

Its curriculum is regularly updated and efforts are underway to provide all study material in downloadable format on the website of DDE accessible to its students through a unique individual user id. For the convenience of students; syllabi, model question papers and old question papers are made available on the website.

DDE arranges Personal Contact Programme (PCP) for all students by expert teachers for broad coverage of syllabi, discussions and students' query handling. In 2016 it started a system of round the year personal counselling programme where DDE teachers are available in their rooms as per time table posted on DDE website to satisfy the students' queries. DDE plans to continue its endeavour to make its education learner centric and friendly and ensures that all courses run under its banner are duly approved by the regulatory bodies and comply with all the norms. All the approvals are available on DDE website for the benefit of students.

I invite prospective students to join our courses and wish them learning, wisdom and a bright future.

Prof. Manjula Chaudhary
